Go Platinum Weekend can change everything for you!

It's the only event we do each year, specifically to help you create your detailed **Action Plan to reach Platinum**. It's the most important event on your calendar right now. It is conducted by **Platinums...for aspiring Platinums**.

At this powerful event you will experience sessions teaching you **how to**:

- Get more customers
- Meet new people
- Get better at sharing the opportunity
- Present like a rock star
- Duplicate your business
- Develop leaders in your team
- Become a positive more empowered leader

If that's not enough, there's **MORE!**

- Hear from **Mauricio Domenzain, CEO of Immunotec** and one of the rising stars of the direct selling industry
- Attend product sessions with **Hugo Palafox, VP Global Scientific Affairs** to learn more about the product line and benefits
- **Go Platinum weekend** will also be where you'll find out about **exciting incentive opportunities and destinations!**
